WHO ARE YOU SUPPORTING?

Rustic Cuff is generously giving proceeds from the event to Joy In The Cause, a 501c3 nonprofit organization that provides care, compassion, and joy, one personal act of kindness at a time. We help those facing life altering illness and special needs. That care and assistance comes in all shapes and sizes. It could be a personal visit, a shoulder to lean on, or a care package filled with everything from gift cards, paying a bill, a house cleaning, or a plush Mavis Pearl dog.

Your sponsorship will help provide much needed support to individuals and their families right here in the Tulsa community and surrounding areas.

We're growing many projects that will be impacted by your generous support. Our wonderful volunteers involved in **The Purpose Project** regularly visit and bring joy to individuals in nursing homes, military facilities, and assisted living facilities. Another project close to our hearts is **Joy To The Rescue, Project: Kids In Crisis**, which equips local police, fire departments, and first responders with backpacks full of resources to soothe a child's fear during a traumatic event. Unfortunately, the need never ends and you are now a part of bringing light to people in a dark place.
